

Culture and Arts Leaders in Schools and Academies

You are cordially invited to a CALSA Breakfast Information Session

The purpose of this session is to inform you of the support that is available to schools in all phases to help strengthen Culture and Arts provision in Schools and Academies.

Date: Friday 3rd February 2017

Time: 8.30am – 9.30am

Venue: Bury St Edmunds , County Upper School.

Our approach is that when schools invite us in to support a project, we work with children and staff to model the implementation, from planning through to realisation. This will then support staff in your school to sustain and build on the development.

ConnectED Teaching School Alliance is a lead school for CALSA and we work in partnership with Festival Bridge.

We have 4 Cultural and Arts Leaders who can be deployed on any project - big or small- to champion and support Culture and the Arts development in primary, secondary and special schools.

If you would like to find out more please join us for breakfast. Book your place by emailing Ellie at [ConnectED Teaching School Alliance admin@connectedtsa.org](mailto:admin@connectedtsa.org).

We can support projects as diverse as staging a musical, putting on concerts, art exhibitions, dance performances, through to helping you to establish a theatre or drama group, a Culture and Arts curriculum day or a community Drama and Arts event. Support with Artsmark applications and development and the introduction of student Arts Awards is also available.
